Report of the President

Stanley M. Ackert III

Fiscal Year 2013-2014, for The Church Club of New York, marked the third and final year serving as your President. My term on the Board of Trustees also concluded, and I take this occasion to express my profound gratitude for having had the opportunity to work with a dedicated and talented Board, and to serve you, our Membership.

Significant highlights of Fiscal Year 2013-2014 included strengthening professional management by changing Executive Director Barbara Hayward's position from interim to permanent; innovative and ambitious programming of events at various parishes around New York; and the launching of an important new initiative, the Church Club's Young Adult of the Year Service Recognition Award. Additionally, the year ended fiscally more secure than in the recent past, without incurring an annual deficit for the first time in nine consecutive years.

The achievements have afforded a period of transition for the Church Club, leaving us a stronger, and more viable, organization for the future. We will need that strength in the coming year as the Church Club will again have to relocate its headquarters and archives due to the pending sale of the building where our current office is situated at 281 Park Avenue South.

I invite you to peruse the following pages of the 2013-2014 Annual Report, which chronicle events enjoyed by our members, friends, and guests during the fiscal year; as well as our 127th Annual Award Dinner, at which The Very Rev. Robert Willis, Dean of Canterbury Cathedral, England, was the guest of honor and The Rt. Rev. Andrew Dietsche, Bishop of New York, accepted an honorarium from the Church Club for the Bishop's discretionary fund, and offered the Invocation at the Dinner.

It has been an honor and privilege to work for you; I am proud to turn the gavel over to our incoming President, Nancy Fisher, and her excellent team of officers.

On behalf of the entire Board of Trustees, we thank you for your ongoing generous support, and we look forward to a fruitful year ahead of continuing positive growth for the Church Club.

President

Message from the Executive Director

Barbara Hayward

My relationship with the Church Club dates back many years. Most recently, however, it has been my special privilege to serve as your Executive Director. I take this opportunity to thank the Board of Trustees for its confidence in my professional leadership; and I thank you, the faithful and enthusiastic Members and Friends, for your continued support of and interest in the rich heritage of the Church Club.

I look forward to greeting you personally during the upcoming year.

Young Adult of the Year Service Recognition Award

The Church Club's Young Adult of the Year Award is an annual competitive award program, initiated in 2014, which provides recognition to an outstanding Young Adult (in his or her 20's or 30's) for exceptional voluntary mission-related and/or community outreach service within a congregation. The Award is accompanied by an honorarium in the amount of \$1,000 (\$500 for the Young Adult and \$500 for the Young Adult's church or designated community outreach ministry), presented at the Church Club's Annual Meeting.

At the 2014 Annual Meeting, held at The Church of the Transfiguration, from left, Currie Estreich of Grace Church, President Ackert, 2014 Young Adult of the Year awardee Rachel Salvato showing off her medal, and The Rev. Mary Cat Young, Diocesan Liaison for Young Adults. In accepting the Award, Miss Salvato described the Grace Church mission trips she conducted to rebuild homes of desolate families in West Virginia; she also expressed her great appreciation to the Church Club for initiating the award program.

Report of the Treasurer

This fiscal year, for the first time in nine consecutive years, happily, I am able to report that the Church Club will not end its year in a deficit. Over the years, the Board of Trustees has had to invade its general endowment to make ends meet. However, due to careful management, we have been able to reduce expenses, and at the same time, increase revenue during 2013 - 2014.

The most notable source of income was derived from generous contributions from the Honorary Benefit Committee, established in conjunction with this year's Annual Award Dinner at which we honored the Dean of Canterbury Cathedral.

In addition, Membership remains a vital source of our income, and I am please to report that we have gained another Life Member this year, for the second year in a row.

The Church Club has no current liabilities. Our assets, held with the Diocesan Investment Trust, as of June 30, 2014, totaled \$345,309, of which \$270,101 was unrestricted and \$75,208 comprised a donor-restricted endowment fund of which only the interest may be used to support the general activities of the organization. This compares to \$300,488, of which \$235,042 was unrestricted at the same time last year.

The Board has approval a balanced operating Budget for next fiscal year. The financial health of the Church Club is becoming much more stable than it has in many years.
